Census HTC Maps: Contra Costa County

This resource is designed to centralize easy to view maps of Hard To Count (HTC) tracts in Contra Costa County. These maps were sourced from the California Complete Count (CCC) HTC Interactive Map (http://bit.ly/CCCMaps).
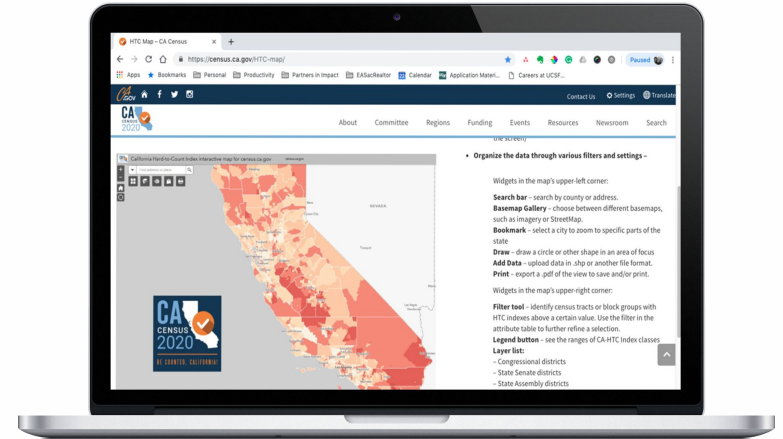

There are a total of 208 Census Tracts in Contra Costa County and 21 select tracts are highlighted here. The selected tracts highlighted here have been identified based on the following criteria, (1) tracts with an HTC score of 67 or higher and (2) "Children under 5" identified as a Top 3 Priority Population by the CCC. Additional data snapshots are provided for tracts that have "children under 5" as a Top 3 Priority Population.

These Tracts represent an estimated **9,926** children, approximately 15.1%, or over 1 in 10 of children, under age 5 in the 0-5 population in Contra Costa County.
